

## **Call for Applications**

### **23<sup>rd</sup> Advanced Educational Program in Intensive Care Medicine**

The main purpose of the two-year program is to prepare future senior intensive care specialists and ICU directors for their ever more complicated tasks. Working in groups and building networks with Nordic colleagues is essential in the program

**The program runs 2026-2027  
starting in January 2026**

**For further information see  
[www.SSAI.info](http://www.SSAI.info)**

**Applications with attachments are welcome  
by e-mail to [Katja.Andersson@uu.se](mailto:Katja.Andersson@uu.se)  
before May 1st, 2025**
